I had often scoffed at Posture Food Ceffee before I knew of its value, and its deficients flavor.

It has been a savier to me. Instead of waiting two or three years to recover streigth, I am now in good working condition six months after the breakdown, and feel better than I have in ten years past." S. W. H.—. Everett, Wash. Full mane given by Postum Cereal Co., Iad. Eattle Creek, Auch.

There is a reason for such rapid recovery. Postum Food Coffee contains the natural phosphate of potash and albumen from the grains of the field, which nature has sent for the use of humanity in the bedy. These materials combine in the human system and go to make up the srey matter that fills the nerve cells in the brain and all through the structure. We must furnish proper materials if we would baile the proper body.

You can get those materials in a dellicious form in Postum Food Coffee.

To Prove What Swamp-Root . Will Do for YOU, Every Reader of The Times May Have a Sample Bottle Sent Free by Mail.

What your kidneys need is a gentle, healing, tonic influence, that will soothe their irritability and gently regulate them. The only thing that will do this is Dr. Kilmer's Swamp-Root, the Great Kidney Remedy.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The Kidneys filter and purify the blood.

Georgetown University, Captain Duffy,

Therefore when your kidneys are weak or out of order you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin at taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and if permitted to continue fatal results are sure to follow. Kidney trouble frritates the nerves, makes you dizzy, restless, sleepless, and irritable. Makes you pass water often during the day, and obliges you to get up many times during the night. Causes puffy or dark circles under the eyes, rheumatism, gravel, catarrh of the bladder, pain or duil ache in the back folias and muscles, makes your head ache and back ache, causes indigeation, stomach and liver trouble; you get a saliow, yellow complexion; makes you feel as though you had heart trouble; you may have pienty of ambition but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root is what you feed that Swamp-Root is what you feed to purchase relief, and has proved so successful in every case that a special arrangement has been made by which all readers of The Times who have not already tried it may have a sample bettle sent absolutely free by mail; also a book telling more about lives, to the wonderful curative properties of Swamp-Root is what you feed too when the definition of the bladder of the
